

*A letter to a Pen-Pal*

**Writing**

*Hi Mary,*

*Good news you're coming to Morocco!*

*Welcome to this multicultural and exotic country. Get ready for the adventure, then.*

*The panic you're feeling is quite normal since it's your first visit. But you needn't worry that much.*

*I hope the following tips would help you.*

*As you know*

*Well, as known and common that Morocco is a muslim country so that I can't put up you that is to say that you will stay in a hotel. As far as I'm concerned there is no problem if we kiss each other on the cheeks but as I have already told you we are in a muslim country there fore we should shake hanks.*

*Concerning the table manners, we use only one hand when we eat exactly the right hand*

*As for clothes we wear decent clothes we are on the contrary of you I mean that there in Britain you wear freely.*

*I hope that I've given you all the information. You need be sure we will spend. Unforgettable time.*

*Keep in touch*

*Jamila*
